

BAPTISTS ASSAIL NAZI PERSECUTIONS

JACKSON, Miss., Nov. 17—(AP)—The State Baptist Convention approved Thursday, with scant discussion, a resolution protesting the "persecution of Jews in Germany" and terming the action of the German government in recent anti-Jewish drives as "unchristian."

It also protested, by resolution, to the Rumanian minister to the U. S. over reported discriminatory treatment of Baptists and other minority Protestant religious groups in Rumania.

The convention took no action on a proposal submitted by the Presbyterian synod of Mississippi urging all Protestant demoninations to request public school authorities to require "regular and daily reading of the Old and New Testaments in the public schools of the state."

The convention adjourned Thursday afternoon.
