

WELFARE UNIT HOLDS ELECTIONS

"But, like a thrifty goddess, she determines herself to America as a creditor. Both thanks and use."

BOTH thanks and use suggest themselves to America as a creditor. Both thanks and use suggest themselves to America as a creditor.

One of the things to be thankful for is the Monroe Doctrine. It runs like this: "We will therefore to candor and to the amicable relations of friendship between the United States and those (European) powers to declare that we should consider as an attempt on their part to extend their system to any portion of this hemisphere as dangerous to our peace and safety."

Benjamin Russell, of Alexandria, came here Wednesday night to be honored by the Alabama alumni of the famous Chi Phi Fraternity whose members are gathered here.

With scenes and pictures from across the seas for contrast, this ought to be the most fitting and pleasing Thanksgiving America ever spent.
