COLOMBIAN ENVOY GOES HOME IN HUFF

Holland Accepts 1,500 Tote As Nazis Plan To Drive Jews Out

BERLIN, Nov. 26—A Jewish woman expressed fear Thursday night that a 400,000,000 government levy likely to delay departure from Germany would make enforced Nazi plan virtually impossible in the next two months.

Another sequel to anti-Semitism is a German diplomat in Paris by a young Jew was poisoned by the government of Raoul Garett, Colombian minister-designate in Germany.

The German government had been recalled as a result of an incident during the visit of the United States minister Sat

Other than that, there were no other reports of incidents.

Field Marshal Hermann Goering, who was present at the Nazi meeting, also attended the dinner. He was accompanied by a large group of guests.

The happy gathering set down in the large warm springs hotel, which is a part of the warm springs foundation.

JEWS ASSIGNED REFUGEE LONDON, Nov. 26—The British government announced today that 20,000 Jews had been assigned refugee status. This is the largest number of Jews ever granted refuge in the United Kingdom.

The House of Commons was adjourned since the previous day. The government announced that it would be necessary to provide for the Jews immediately.

His statement followed upon a resolution by Herbert Morrison that any deportations from this country would be stopped until the security of the nation was assured.

He said, "It is the duty of the British government to take care of the Jews, and it will do so.

Wood's thermometer was at 50 degrees Fahrenheit, but there was a strong wind blowing, and it felt cold. The weather was cold, and the atmosphere was thick with moisture.

At last, 11 patients from the islands and Canada were taken to the hospital, and they were discharged. Wood said it was the last of the patients that had been treated.
