

WHY DIDN'T THEY JUST LEAVE?

Student Name: _____

In Your groups, discuss what kind of paper work or documents it would take to leave (emigrate) to the United States to go live in another country. List what you think you would need to submit to the United States and what you need to go the country to which you were moving.

Documents submitted to US Government	Documents submitted to new country

Now, take a look at the documents about emigrating from Germany in the 1930s. List the top 3 things that you think would've been the hardest to do/get in order to leave the country.

- 1.
- 2.
- 3.

Look now at the document about immigrating into the United States. Again, what are the top three obstacles facing those wishing to come to the United States?

- 1.
- 2.
- 3.

What surprised you the most from what you have learned today about the difficulty of immigrating or emigrating?
